

CITY 2 SURF

AUGUST

10 2008

We need you! Join the **bricks + cartwheels** team and start shaping up for this year's city 2 surf! Walk or run – doesn't matter how! The challenge is to raise \$200+ dollars for **bricks + cartwheels** and all proceeds will go directly to the Secondary School for Girls, Katolo, Kenya. Don't forget that all donations are tax deductible. Team members will be kitted out with a b+c t-shirt and receive training support leading up to the big day. We are hoping to get a group of 200+ people to join our team – so please spread the word and invite work colleagues, friends and family to join the **bricks + cartwheels** team. Together, we can raise more than a sweat!

Register your interest today by going to our website www.bricksandcartwheels.org/city2surf.html

bricks + cartwheels in orange

bricks + cartwheels are heading to Orange NSW on Saturday 14th June. The Orange Launch will be a fantastic afternoon of live music and discussion about our current project in Kenya. A selection of delicious finger food will be served upstairs at The Parkview Hotel from 1pm. Tickets are \$50 with the chance to win some great local prizes, the bountiful Orange farmers markets are also on this particular weekend also! Please forward the details of this event to all that may be interested in packing their bags and spending a relaxing weekend in Orange!

If you would like to attend rsvp.harriet@bricksandcartwheels.org

april designer drinks

Designer drinks were held once again at the Faculty of Architecture, Design and Planning of the University of Sydney to support bricks + cartwheels. It was a great night and it's lovely to know that even though we have graduated, bricks + cartwheels still has the continued support of the University and Faculty in particular.

A special mention must be made to Sarah, president of SUAS, for her enthusiasm and efforts to strengthen not only relations between bricks + cartwheels and the Faculty, but also between alumni and current students of Sydney Uni. Thank you, Sarah.

Bring on the next one! Looking forward to it!

b+c team graduates!

We've finally done it! After 6 long years the bricks + cartwheels team has graduated from the the Faculty of Architecture, Design and Planning at The Univeristy of Sydney. It was an amazing day. A morning full of gowns, ceremony, speeches and tradition followed by an afternoon full of food, wine and fun.

All with our wonderful family and friends, who we really couldn't have graduated without. We'd like to give a special mention to our fantastic architecture gang who have been through thick and thin with us for the last 6 years. Where would we be without you all?

UPCOMING EVENTS

The b+c charity ball will be held in October this year. We are very excited about our inaugural ball and are currently planning a unique event at an innovative venue... If you think your company may be interested in participating in the ball as a corporate sponsor please let us know - it would be a great opportunity for your company to support bricks + cartwheels and the Katolo community and to create some great publicity also!

For more information contact Harriet - harriet@bricksandcartwheels.org

Make sure to keep an eye on our blog www.bricksandcartwheels.blogspot.com for up-to-date info on the b+c team and who inspires us! It is packed with great news and stories of other organisations and worthy upcoming Sydney events that you can attend.
